

## Join Christiansted Freecycle Today!

To help promote recycling on St. Croix, the St. Croix Recycling Association is sponsoring the *Christiansted Freecycle*™ - a group that's open to all who want to "recycle" that special something rather than throw it away.

Whether it's a chair, fax machine, piano or an old door, feel free to post it. Or maybe you're looking to acquire something yourself. Nonprofit groups are most welcome to participate!

One main rule: everything posted must be FREE. This group is part of The Freecycle Network, a nonprofit organization and a movement of people interested in keeping good stuff out of landfills.
