

You're Invited!
Inaugural Meeting to Form a

St. Thomas Recycling Association

Date: August 6, 2008

Time: 6:00—7:30 p.m.

Where: Charlotte Amalie High School
Auditorium
Sugar Estate, St. Thomas

Did you know that more than half of the garbage in our landfill is recyclable?

Join our grassroots effort to promote recycling in St. Thomas! We will discuss:

- Creating a St. Thomas recycling association
 - Why we need territory-wide recycling associations
- How to organize a recycling association—blue print from the St. Croix Recycling Association
 - What we can recycle now & where

Sponsored by the V.I. Resource Conservation & Development Council, Inc.
